### UM TO HOST RECREATION CAREER FAIR NOV. 8

#### MISSOULA --

Anyone interested in education and employment opportunities in the recreation field is invited to attend The University of Montana's Recreation Career Fair Monday afternoon, Nov. 8.

The free career fair, sponsored by the UM School of Forestry, is scheduled from 1 to 4 p.m. in the University Center Ballroom. The event will feature presentations, displays and the opportunity to talk with representatives of more than 20 public agencies and private businesses that employ recreation professionals. The fair will also offer information on the University's recreation degree program.

The event is intended to give high school students, university students and interested citizens an idea of the breadth of professional opportunities offered by recreation, said Scott Johnson, promotion and publicity coordinator for the event.

Beverages and snacks will be provided, and a raffle will feature prizes from local contributors. For more information, call Johnson at 543-8456.
